

## December 2025 Edition

As we head into the holiday break, we're excited to share several updates designed to support your work in the new year. This month, South Bronx Early College Academy Charter School Principal, David Krulwich offers his perspective on [Building a Culture of Engagement Through Student Agency](#). In our **Features** section, you'll find an introduction to the new **Individual Student Report**. Below you can register for our upcoming webinar, **Drive Meaningful Learning Conversations with the Individual Student Report**. We're also celebrating this month's **Two Skills Tuesday** winners. Thanks for all you do, and we hope you enjoy a restorative and well-deserved break.

### **Upcoming Holiday Breaks**

Teach to One Roadmaps will be taking a break over the Winter Break holidays. Our team will not be available from December 24th through January 1st. We hope you have a wonderful holiday season and enjoy some time to relax with friends and family! If you experience any issues or have questions during these dates, please continue to submit tickets to the [Help Center](#), and we'll respond as soon as we're back in the office on January 2nd. Happy holidays!

### **Webinar—Drive Meaningful Learning Conversations with the Individual Student Report**

Join us on **January 28** for our upcoming webinar focusing on the **Individual Student Report**. We'll walk through how this new report gives teachers a clear, holistic view of each student's learning journey so you can lead richer, more confident conversations with students, families, and school leaders.

# Individual Student Report

We know how important it is for educators to have a clear, comprehensive view of each student's progress. That's why we're excited to introduce the new [Individual Student Report](#)—designed with your needs in mind. This report brings together detailed insights on each student's roadmap progress, unit completion, and recommended skills (top picks), all in one easy-to-access place from the **Progress Page**. It's a powerful tool to support data-driven conversations with students, families, and your professional learning communities.

The **Individual Student Report** will be rolled out in phases, with the first phase launching very soon. Each phase will add new features and components to help you make the most of your student data. Don't miss our upcoming webinar on January 28, 2026, at 4pm EST, **Drive Meaningful Learning Conversations with Individual Student Report**—[click here to register today!](#)

### Two Skills Tuesday Challenge

In October we announced the return of the Two Skills Tuesday Challenge!

How It Works:

- Ensure your students are enrolled in a class with *Roadmaps*.
- Each week, encourage students to master two skills in *Roadmaps* (achieving 80% or higher on assessments).
- Students who pass two skills each week are automatically entered into a weekly drawing.

Prizes: Each Tuesday, student winners are drawn from the previous week's entries. Both the winning student and their educator will receive a \$25 gift card! Winning educators will be notified via email with details on redeeming their prize.

**And here are the prize winners for the past month.**

## Independent School Celebrations

### Spotlight Your School's Successes!

We know schools are doing amazing things to motivate students, and we want to help share your highlights. This photo was shared by our partners in Baltimore, celebrating a student who won a weekly raffle the school runs to recognize student effort and engagement.

Are you hosting Roadmaps-related competitions or celebrations of your own? [Send](#) photos and anecdotes our way. We'd love to highlight your school—and with your permission, feature your celebration in an upcoming newsletter.

### Winter Break Activities

 Explore our [Printable Classroom Activities](#) for various engaging and educational printables. These are perfect for keeping students curious and active even outside the classroom!

 If students access *Roadmaps* over winter break, our [Student Goal Setting](#) tracker provides an easy way for them to keep track of any additional work they complete.
