Important Dates

 **Webinar—Drive Meaningful Learning
Conversations with the Individual Student
Report**

Join us on **January 28** for our upcoming webinar focusing on the **Individual Student Report**. We'll walk through how this new report gives teachers a clear,

holistic view of each student's learning journey so you can lead richer, more confident conversations with students, families, and school leaders.

Drive Meaningful Learning Conversations
with the Individual Student Report
Wednesday, January 28, 2026
Time: 4pm ET / 1pm PT

Features

Individual Student Report

Since our last newsletter, we released the first phase of the Individual Student Report—a new, student-level view designed to make learning conversations easier and more meaningful. From the Progress page, you can open a single, streamlined report that brings together a student's *Roadmap* progress, unit completion, and recommended skills (top picks) in one place.

Whether you're meeting with a student, connecting with families, or preparing for a data conversation, this report helps you quickly see what a student has learned, what they're working on now, and what they're ready for next.

Want a walkthrough + a sneak peek at what's coming next? Join our webinar on Wednesday, January 28 at 4 pm ET / 1pm PT to see the report in action and preview upcoming enhancements.

Multipliers

Roadmaps Completion

Your student(s) have completed their assigned grade-level *Roadmap*—what an achievement! We love this milestone and want to help you celebrate the hard work and dedication it took to get there.

What's next? [Check out: Roadmap Completed: Next Steps](#)

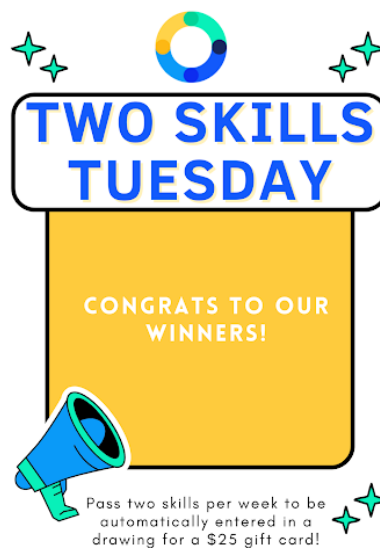

Celebration stickers: Our team is working to send celebratory sticker sheets to schools so students can be recognized for completing their *Roadmap*.

Share your success: Email photos of your celebrations—we love seeing the creative ways you recognize students! Send to support4roadmaps@teachtoone.org.

Two Skills Tuesday Challenge

Thank you for participating in Two Skill Tuesday! The week of December 15 was our final national drawing. Congratulations to our winners:

Week of December 15

Student	School	Teacher
9th grade/ SF	Energy Tech High	MG
8th grade/ JS	South Bronx Early College Academy Charter	DM
5th grade/ AS	Treasure Island Elementary	AM
9th grade/ VC	Rogers High	SS
5th grade/ MA	Commodore John Rogers	MM
9th grade/ AZC	E-Cubed Academy High	CP

School Spotlight

We know schools are doing amazing things to motivate students, and we want to help share your highlights. This photo was shared by our partners at South Bronx Early College Academy, celebrating a student who won Two Skills Tuesday.

Are you hosting *Roadmaps*-related competitions or celebrations of your own? [Send](#) photos and anecdotes our way. We'd love to highlight your school—and with your permission, feature your celebration in an upcoming newsletter.

Pro Tips

January Color-by-Number Activity

 A simple, low-prep way to reinforce a few key math skills—plus a little coloring break for the new year. Related skills:

- Order of Operations – without Exponents (274)
- Add & Subtract Decimals (533)
- Add & Subtract Unlike Fractions (283)
